## Exhibit One

I was arrested in Collin County over ten years ago for Tampering with a Government Record. The facts of my case are as follows: I filed an application for Writ of Habeas Corpus in County Court at Law No. 2. I signed it before filing, but did not have it notarized. When I went to set it for hearing, the coordinator remarked that it was not notarized. I asked her if she was a notary. She said she was not, but sent me across the hall to the coordinator for County Court at Law No. 1. She notarized it, and I returned the file to Court No. 2. Almost two years later, I got into a discovery dispute with the chief of the Specialized Crime Unit of the Collin County District Attorney's Office, Chris Milner, in an entirely unrelated matter. I received a Grand Jury notice shortly thereafter for Tampering. The case was subsequently voluntarily dismissed by the District Attorney's Office.
